to Govt. The average monthly
premium income at 3 p. c
works out for the present at
Rs 613 as stated in the Insurance
office note & the established charges
including the present increase
it is stated comes to Rs 578 only.
So the matter does not seem
necessary being reported to Govt.
Draft accordingly subd for approval.

It does not appear, since the Slab
of the Insurance Office is permanent, that
any charge for permanent ^{and leave} charges ^{are} is also
added to the cost and the 3% is worked out,
and it seems necessary that this should
be done. As the work has increased 2 temporary
clerks on Rs 20 each have been appointed
and a general increase of 1 Re each
to all the 3 persons named. Minor stated
on what ground this was considered necessary.
However as the increase is small
I do not radically affect the principle
the proposals sanctioned by the Committee
may I think be accepted. - Security
leave charges are calculated at 14% of the gross charges
